

How to Use Freading on your Android Tablet

1) In order to download eBooks from Freading.com onto your tablet you will need to have an Adobe ID. If you do not have an Adobe ID you will need to create one at this point. Go to https://www.adobe.com/account/sign-in.adobedotcom.html. You can do this from your tablet or from a computer.

2) Now click 'Don't have an ID?' The reason you need an Adobe ID is to authorize your device to receive books from Freading. It is basically a way for Freading to make sure you are not copying the books and selling them.
